

## ISO 45001 CERTIFICATION

**ISO 45001** is an International Standard that specifies the **requirements** for an occupational health and safety management system (OH&S) to enable an organization to **proactively improve** its OH&S performance in **preventing injuries and ill-health**.

ISO 45001 represents also the evolution of OHSAS 18001.

The achievement of this certification represents for **SUANFARMA Italia** a further confirmation that the policy of **strong responsibility** it has adopted for several years now towards all the people who may be interested in its activities has an **internationally recognized value** and is an additional tool to **prevent incidents** and **occupational diseases** in an increasingly **effective manner**.
